Family Literacy Programs 2008

Comprehensive Family
Literacy programs consist of
four components that are
implemented in a highly
coordinated program:

Adult Education, Children's
Education, Parent Education
and Parent and Child
Together Time (PACT).

Parents attend 4 days a
week and commit to
attending weekly parent
workshops and to assist
their children in their
classrooms at least once per
week.

- **Adults' demonstrated academic progress that met or exceeded the State Goals in 5 of 6 student performance levels.**
- **The family literacy programs demonstrated a student retention rate of 94%**
- **48% of parents who attended school in the US completed less than the 9th grade.**
- **54% of parents who attended school outside the US completed less than the 9th grade.**
