

Mission Statement

The Learning Source believes education is essential to people's freedom, their confidence, and their ability to perform in the family, community and workplace. We provide opportunities for motivated adult learners and families to attain educational goals for themselves and their children through:

Adult and family literacy, GED and English instruction provided by trained volunteer tutors, led by a dedicated staff, and;

Accessible centers located within the community.

Guiding Principles

- ☞ We are dedicated to providing an environment that encourages adult students and families to define and achieve their educational goals and realize the benefits of life-long learning.
- ☞ We recognize that our volunteers are essential in nurturing our students in the accomplishment of their goals.
- ☞ We respect and appreciate the diverse nature and contributions of the Learning Source Community.
- ☞ We are committed to active leadership and innovative problem-solving in adult education and family literacy within our community.
- ☞ We follow sound financial and administrative practices to promote the cause of adult education and family literacy.
